

Hang On, You Got Lied To

I was told that pot was medicine,
but just Hang On, I Got Lied To.
Was told it was a doctor's thing,
As it turns out, that's just not true.

Every major medical organization
United in their opposition.
Smoking marijuana is NOT medicine.
Hang On, You Got Lied To.

Keep you In The Dark is their plan.
Find out for yourself if you can.
Lacking Truth, what Evil can do.
Hang On, You Got Lied To.

33 of known carcinogens
in a joint, tests show it's true.
Don't believe it can do no harm.
Hang On, You Got Lied To.

A man who thinks that pot's the answer
doubles his risk of testicular cancer.
What an awful fate to go through
Because he got lied to.

Keep you In The Dark is their plan.
Find out for yourself if you can.
Lacking Truth, what Evil can do.
Hang On, You Got Lied To.

Cancer-causing marijuana plant
or safe pill form is the choice for you.
Marinol ® is FDA approved.
Smoking pot, you just don't have to do.

Why smoke what we have in pill form?
Marinol ® available across the nation,
Since 1999, it's true.
Hang On, You Got Lied To.

(Bridge)

Don't look to the ACLU
to help in what your going through.
Your neighbor's pot will violate you.
Hang On, You Got Lied To.

Pack your kids and move away.
The creep who smokes pot gets to stay.
Lose your home, that's what it's come to.
Knowing You Got Lied To.

Keep you In The Dark is their plan.
Find out for yourself if you can.
Lacking Truth, what Evil can do.
Hang On, You Got Lied To.
